What a wonderful musical time.

The workshop was informative, fun and kept my attention. Marjie's enthusiasm brought out the child in me and filled me with laughter even throughout the night.

I really enjoyed the workshop, the use of easy to make & cheap props were great ideas. I also liked the month by month song themes. Also your high energy & outgoing attitude really kept the workshop going.

Great Workshop!

*I enjoyed the workshop. You need to
~~make~~ make a c.d. to use in the classroom
of the songs you use in your
thematic teaching. It's hard sometimes
to remember the tunes. You can tell
you love what you are doing.*
